Bilateral Meetings

- Day 1

Description

Besides having been in business for more than 30 years, the company is the permanent technical service provider of major 5-star hotels and venues in Budapest and the event production partner of key Hungarian and international corporate companies-Fortune 500-event planners and associations.

We have worked at venues in almost all major European cities as well as outside Europe in America, South America, Asia and Australia.

Our service portfolio covers rental of audiovisual, lighting, interpretation and voting systems, IT and office equipment, full production of stage, installation and exhibition designs, furniture rental and digital media services such as online streaming.
